BEFORE THE PUBLIC SERVICE COMMISSION OF UTAH

<p>In the Matter of the Application of Starlink Services, LLC for Designation as an Eligible Telecommunications Carrier for Purposes of Receiving Rural Digital Opportunities Fund Support</p>	<p>Docket No. 21-2624-01</p> <p>STIPULATION AND MOTION TO AMEND SCHEDULE</p>
---	---

Pursuant to Utah Admin. Code r.746-1, the Division of Public Utilities (“Division”) files this Stipulation and Motion to Amend Schedule. The Division submits the attached Stipulation and requests that the Public Service Commission (“Commission”) vacate the remaining testimony dates and set a hearing date on the Stipulation for April 20, 2021.

The Commission set a schedule for this docket in its January 20, 2021 Scheduling Order. Utah Rural Telecom Association (“URTA”) filed for and was granted intervention. The participating parties in this docket include the Division, Starlink Services, LLC, URTA and the Utah Office of Consumer Services (“Parties”). The Parties to this docket have reached a settlement. The Stipulation along with signature pages, a service area map, and a list of census blocks are attached to this filing. Further testimony in this docket is unnecessary. Therefore, the Division moves to vacate the remaining testimony filing dates.

The Parties have discussed dates and times for a hearing on the Stipulation and the Division requests that a hearing be set for this matter on April 20, 2021 at 4:00 PM. It is the Division's understanding that the proposed date and time are available on the Commission's calendar.

The Division is unaware of any opposition to this Motion or the attached Stipulation. Because the hearing date proposed is sooner than the standard motion practice period and the motion is expected to be unopposed, the Division respectfully requests expedited treatment.

Submitted this 7th day of April 2021.
