Re: *2021 Annual Report of Citizens Telecommunications Company of Utah d/b/a  
Frontier Communications of Utah* (“Frontier”); Docket No. 22-041-01

Dear Ms. Matushek,

On April 18, 2022, Frontier filed its Annual Report for Calendar Year 2021 (“Report”) with the Public Service Commission (PSC). On September 1, 2022, the Division of Public Utilities (DPU) filed its recommendation with the PSC stating that, based on its review of the Report, Frontier does not qualify for Utah Universal Public Telecommunications Support Fund (“UUSF”) payments in calendar year 2023. DPU noted that Frontier is not currently receiving distributions from the UUSF and that no adjustments to the UUSF eligibility for Frontier are necessary. On September 2, 2022, the PSC issued a Notice of Filing and Comment Period, seeking comments on DPU’s recommendation on or before October 3, 2022. The PSC received no comments.

Based on the PSC’s review of the Report, and on DPU’s uncontested recommendation, and there being no comments filed during the comment period, the PSC finds and concludes that Frontier does not qualify for a disbursement from the UUSF in 2023 under Utah Code Ann. § 54-8b-15. The PSC will take no further action in this docket.

Sincerely,

/s/ Gary L. Widerburg

PSC Secretary
