Re: *Citizens Telecommunications Company of Utah d/b/a Frontier Communications of Utah's Tariff Revisions to the 8YY Access Charge Rates; Docket No. 22-041-T02*

Dear Ms. Zink,

The Public Service Commission (PSC) has reviewed Citizens Telecommunications Company of Utah d/b/a Frontier Communications of Utah's ("Frontier") proposed revisions to Page Nos. 1, 5, and 471, of its Utah P.S.C. No. 1-T Tariff ("Tariff"), filed on May 27, 2022 (the "Filing"). Frontier submits the Filing in accordance with Federal Communications Commission (FCC) amended rules that implement 8YY access charge reform.¹ Frontier indicates its proposed Tariff revisions reduce the relevant rates, as required by the FCC's 8YY access charge reform order ("Order"), and requests an effective date of July 1, 2022.

The PSC also reviewed the comments of the Division of Public Utilities (DPU) filed on June 6, 2022. DPU states the proposed revisions appear to comply with the FCC's Order and therefore recommends the PSC approve them, effective July 1, 2022.

Based on the PSC's review of Frontier's Filing, DPU's comments and its recommendation, the PSC approves Frontier's proposed revisions to its Tariff, as filed, effective July 1, 2022.

Sincerely,

/s/ Gary L. Widerburg

PSC Secretary

DW#324565
