Re: Interconnection Agreements between Qwest Corporation dba CenturyLink QC and Various Carriers; Docket Nos. 22-049-02 through -57

Dear Mr. Hendricks,

On various dates between March 1 and March 10, 2022, CenturyLink QC filed with the Public Service Commission (PSC) Amendments (“Amendments”) to Interconnection Agreements with various carriers (“Interconnection Agreements”) in Docket Nos. 22-049-02 through -57. The proposed Amendments are identical in their terms and each addresses terms and conditions for unbundled network elements in connection with the Federal Communication Commission’s Order FCC 20-152, Report and Order in WC Docket 19-308 for Modernizing Unbundling and Resale Requirements in an Era of Next-Generation Networks and Services effective February 8, 2021.

On various dates between March 9 and March 23, 2022, the Division of Public Utilities (DPU) filed comments addressing each of the above referenced dockets, and recommending in each case that the PSC acknowledge receipt of the Amendments. DPU’s comments were identical in their terms for each docket. In each case, DPU comments that the Amendment was voluntarily negotiated in good faith and without unfair discrimination, and that it sees no reason to reject the Amendment.

There being no recommendation opposing the Amendments, the PSC acknowledges them and, consistent with 47 U.S.C. § 252(e), deems the Amendments approved 90 days after filing, as detailed in the following table.
