RE: A.L. 2022-P03
(UT2022-04)

Dear Commissioners:

Attached for your notification are the following revisions to the Qwest Corporation d/b/a CenturyLink QC Exchange and Network Services Price List, submitted with a February 21, 2022 issue date and a March 1, 2022 effective date. Attachment A includes a list of pages.

This filing updates the terms for grandfathered bundles and packages. As of March 1, 2022, changes, additions, or transfer of service will not be permitted on accounts associated with a grandfathered bundle or package or other grandfathered feature or service. This change does not impact services or features currently provided on grandfathered accounts. A grandfathered service is one that is no longer sold, and availability is limited to lines currently in service at existing locations. Changes, additions, or transfer of service will be allowed when customers migrate from a grandfathered service to a currently available service. Customers may remove any service or feature from their accounts at any time; however, grandfathered services removed may not be subsequently reinstated.

Respectfully submitted,

A handwritten signature in cursive script that reads "Marla Hazlett".
