Dear Commissioners:

Attached for your notification are the following revisions to the Qwest Corporation d/b/a CenturyLink QC Private Line Transport Services Price List, submitted with a July 22, 2022 issue date and a July 31, 2022 effective date. Attachment A includes a list of pages.

Qwest Corporation d/b/a CenturyLink QC will be making a change to its process with regards to when an order will be completed for Metro Optical Ethernet (MOE). The new process will change the number of days in which customers have to respond of their acceptance of service from 30 calendar days to 5 business days. If the customer does not respond to CenturyLink's notification by day 5, then the order will be closed and billing will be initiated.

Respectfully submitted,
