Re: **Verizon Access Services: Price List No. 4**
Originating Access Rate Reductions Pursuant To Federal Communications Commission
8YY Charge Reform Order (FCC 20-143)

Dear Mr. Widerburg,

Please find attached an original of revisions to MCI metro Access Transmission Services LLC d/b/a Verizon Access Transmission Services (“Verizon Access”) Access Services Price List No. 4. The effective date of this filing is July 1, 2022, in accordance with the Federal Communications Commission’s 2020 8YY Charge Reform Order (“FCC Order”), WC Docket No. 18-156.

The following pages are being revised:

Page No.	Revision	Page No.	Revision
1	8th	55	5th
2	6th	56	1st

In compliance with the FCC Order, Verizon Access reduces its originating 8YY Direct Connect and Tandem Connect per access minute of use rates, and its 800 Data Base Access Service Basic Query per query charge. In addition, Verizon Access corrects and reduces its Toll Free 8YY Transit Traffic Service rates. Due to an administrative error, the rates were not previously reduced in the tariff.

If you have any questions in this matter, please do not hesitate to contact me at either (202) 515-2592 or edwin.reese@verizon.com.

Respectfully submitted,

Edwin Reese
