Re: *All West Communications, Inc.'s Proposed Tariff Revisions*; Docket No. 22-2180-T01

Dear Mr. Rutkowski,

The Public Service Commission (PSC) has reviewed All West Communications, Inc.'s ("All West") proposed revisions to Page No. 208 of its P.S.C.U. No. 1 Tariff ("Tariff"), filed on May 31, 2022 (the "Filing"). All West submits the Filing in accordance with Federal Communications Commission (FCC) amended rules that implement 8YY access charge reform.<sup>1</sup> All West indicates its proposed Tariff revisions reduce the relevant rates, as required by the FCC's 8YY access charge reform order ("Order"), and requests an effective date of July 1, 2022.

The PSC also reviewed the comments of the Division of Public Utilities (DPU) filed on June 6, 2022. DPU states the proposed revisions appear to comply with the FCC's Order and therefore recommends the PSC approve them, effective July 1, 2022.

Based on the PSC's review of All West's Filing, DPU's comments and its recommendation, the PSC approves All West's proposed revisions to its Tariff, as filed, effective July 1, 2022.

Sincerely,

/s/ Gary L. Widerburg

PSC Secretary
