3.7 CALLING PLANS

3.7.1 HOME PHONE II UNLIMITED - GRANDFATHERED* (C)

A. General Description

Home Phone II Unlimited long distance customers will receive unlimited interstate and intrastate Dial-1 voice usage for a monthly recurring charge. A 10 cent per minute charge applies for data calls, including but not limited to fax, modem tones, and calls to long distance dial-up Internet providers.

B. Terms and Conditions

1. Unlimited Dial-1 calling is available only for typical residential voice usage. Home Phone II Unlimited long distance may not be used for any purpose inconsistent with typical residential domestic voice usage, including calls to 900 numbers, directory assistance, calling card, operator services, toll free calling services, auto-dialing, resale, chat rooms, call centers, direct telemarketing centers, and any other use that does not involve a single path person-to-person conversation or voice message. Single path calls that originate into multi-party conference calls are allowed although the customer may not use this service to complete multiple simultaneous outgoing calls through use of a LEC-provided feature that provide multiple paths over a single line.
2. This plan is not available to customers with a multi-line account or an account that bills to another number or is the recipient of charges billed from another number unless the customer establishes separate billing accounts for each line. A monthly recurring charge applies for each line subscribed.
3. To be eligible for this service, the customer must subscribe to the CenturyLink Local Exchange Company's qualifying Home Phone II local service package. All services must be billed by an affiliated CenturyLink company on the same invoice to subscribe to this offer. Each line subscribed to Home Phone II Unlimited long distance must meet the eligibility requirements.
4. The Company reserves the right to move a customer on this plan to an alternative plan if the Company determines, in its sole discretion, that the customer's usage on the plan does not resemble typical residential usage. For the purpose of this plan, typical residential usage is presumed to be total usage that does not exceed 5,000 minutes per month of intrastate and/or interstate service per line.

***As of May 1, 2022, changes, additions, or transfer of service will not be permitted on accounts associated with this grandfathered service. Availability is limited to lines currently in service at existing locations.**
