Advice Letter No. 22-2419-T01

Mr. Gary L. Widerburg, Commission Administrator
The Public Service Commission of Utah
Heber Wells Building 4th Floor
160 East 300 South
Salt Lake City, Utah 84111

Dear Mr. Widerburg:

Enclosed with this electronic filing to psc@utah.gov is the proposed tariff sheet for Direct Communications Cedar Valley, LLC (22-2419-T01) filed with the Division of Public Utilities for the Access Tariff on file as Utah P.S.C. No. 3.

Revised Tariff Sheet

4th Revised Sheet No. 30, 32
2nd Revised Sheet No. 31

Canceling Tariff Sheet

3rd Revised Sheet No. 30, 32
1st Revised Sheet No. 31

This filing is made in compliance with the Federal Communication Commission's (FCC) Order 20-143; Part 51 – Interconnection; Subpart M – 8YY Transition; §51.909 Transition of rate-of-return carrier access charges; Step 3. The FCC Order further established a three step glidepath reduction to a uniform, nationwide toll free database query rate. Step 3 requires interstate and intrastate originating End Office Access Service rate elements for Toll Free Calls to be reduced by one-half. It also requires the rates for intrastate and interstate Toll Free Database Query Charges to be reduce by one-half to the transitional rate of \$0.0002 per query set forth in paragraph (o)(2) of 47 CFR §51.909. Direct Communications Cedar Valley proposes a reduction to the required rate level.

Currently, Direct Communications Cedar Valley's intrastate originating end office access service rates are greater than interstate rates. Therefore, this filing proposes reductions to the intrastate toll free originating end office rates to bring it in parity to the interstate rate levels.

Transmitted herewith are PDF documents – one showing the changed pages with revisions indicated via strikeout, and the other showing the changes as they will appear in the proposed new tariff. It is requested that this filing become effective July 1, 2022.

Please send us an approved copy.
