Re: **Docket No. 23-049-24:** Agreement filing in the Matter of the Forbearance Master Services Agreement between Qwest Corporation d/b/a CenturyLink QC and Windstream Entities.

Recommendation (Acknowledge)

The Division of Public Utilities (“Division”) recommends that the Public Service Commission (“Commission”) acknowledge the receipt of this Forbearance Master Services Agreement.

Discussion

On or about December 19, 2023, Qwest Corporation d/b/a CenturyLink QC (“CenturyLink”) filed the Forbearance Master Services Agreement per the above-referenced docket in accordance with § 54-8b-2.2(1) (d) of the *Utah Code*. This Agreement had been fully executed through voluntary negotiations on June 17, 2022, and amended on December 19, 2023, with Windstream Entities.

The Division has reviewed the above-mentioned Agreement between CenturyLink and Windstream Entities and sees no reason to reject it. Specifically, the Division believes that

the Agreement was negotiated in good faith and without unfair discrimination. Both parties also recognize that, to the extent that the existing rules are changed, vacated, dismissed, stayed, or modified, this Agreement and all contracts adopting all, or part of this Agreement will be amended to reflect such modification or change of the existing rules. Therefore, the Division recommends that the Commission acknowledge the receipt of this Forbearance Master Services Agreement.
