**2. GENERAL REGULATIONS - CONDITIONS OF OFFERING**

**2.2 ESTABLISHING AND FURNISHING SERVICE**

**2.2.9 TERMINATION OF SERVICE - COMPANY INITIATED**

**A. Reasons For Termination (Cont'd)**

**5. Fraud**

The impersonation of another with fraudulent intent. Abuse or fraudulent use of service includes the use of service or facilities of the Company to transmit a message or to locate a person otherwise to give or obtain information, without payment of a message toll charge.

**6. Party Line Abuse**

Listening in on party line conversations, the use of service by a customer in connection with a plan or contrivance to secure a large volume of telephone calls to be directed to such customer at or about the same time resulting in preventing, obstructing or delaying the telephone service of others.

**7. Unlawful Use of Service**

The service is furnished subject to the condition that it will not be used for an unlawful purpose. Service will not be furnished if any law enforcement agency, acting within its jurisdiction, advises that such service is being used or will be used in violation of law, or if the Company receives other evidence that such service is being or will be so used.

**8. Violation of Price List**

Any other violation of the regulations of the Company, the Company may, without notice, either suspend service or terminate the service without suspension.

**9. Subterfuge**

See 2.2.1.A. paragraph 2.

**10. Customer Denied Access**

**The Company may either temporarily suspend service or terminate the service to any person, firm or corporation who fails to respond or who otherwise denies the Company access to the premises when such access is deemed necessary by the Company to maintain, transfer or otherwise modify service. The Company shall notify the customer at least 30 days prior to service suspension or termination. The Company shall waive any associated reconnection charges if such reconnection is made within 30 days, except that the Company does not guarantee the same phone number will be available if reconnection is requested.**
