Re: *Qwest Corporation d/b/a CenturyLink QC's Proposed Tariff Revisions; Docket No. 23-049-T01*

Dear Ms. Hazlett,

The Public Service Commission (PSC) has reviewed Qwest Corporation d/b/a CenturyLink QC's ("CenturyLink") Amended Access Service Tariff Utah ("Amended Tariff"), filed on July 28, 2023 with an effective date of July 23, 2023. CenturyLink submits the Amended Tariff as directed by the PSC.¹

The PSC also reviewed the supplemental comments of the Division of Public Utilities (DPU) filed on August 7, 2023. DPU has no objections to the revisions and recommends the PSC approve the Amended Tariff.

Based on the PSC's review of the Amended Tariff and DPU's comments, the PSC acknowledges the Amended Tariff complies with the PSC's July 3, 2023 approval letter.

Sincerely,

/s/ Gary L. Widerburg
PSC Secretary
DW#329069

¹ The PSC directed CenturyLink to refile clean and redlined tariff sheets with an effective date of July 23, 2023 within ten days of the date of the Tariff Approval Letter. Tarriff Approval Letter from the Public Service Commission July 3, 2023.
