**Re:** **Docket No. 23-2413-02**, Request of BullsEye Telecom, Inc. for Cancellation of its Certificate of Public Convenience and Necessity.

## Recommendation (Approve)

The Division of Public Utilities (“Division”) recommends the Public Service Commission (“Commission”) grant the request by BullsEye Telecom, Inc. (“BullsEye”) to cancel its Certificate of Public Convenience and Necessity (“CPCN”) to provide Local Exchange Services in the State of Utah.

## Discussion

On or about September 5, 2023, BullsEye filed a request to have its CPCN cancelled. The Division has reviewed this request and found the following:

BullsEye was issued a Certificate to provide telecommunications services in Utah on November 19, 2003, in Docket No. 03-2413-01. The cancellation request is the result of the internal reorganization and transfer of customers in the Joint Notice Regarding Internal Reorganization and Transfer of Customers, Docket Nos. 23-2413-01 and 23-2451-02. The customers of BullsEye were transferred to its affiliate Lingo Telecom, LLC effective July 1,

2023. As a result of the internal reorganization, BullsEye currently has no customers in the State of Utah.

It appears BullsEye has complied with the rules for exiting as required under Administrative Rule R746-350. The Division recommends the Commission cancel BullsEye's CPCN.
