Re: Granite Telecommunications, LLC Advice Letter No. 17

Dear Secretary Widerburg:

Granite Telecommunications, LLC ("Granite") submits to the Utah Public Service Commission revised Sheet Nos. 1, 2, 47 to 52, and 54 to 65 to Granite's Utah local exchange price list, Utah Price List No. 1, for incorporation into the Company's price list.

By this submission, Granite increases discretionary local exchange service recurring charges following recent corresponding underlying carrier non-recurring rate increases. Granite also removes certain services that are no longer available nor have any existing subscribers, and updates the exchange listing. Granite provides services exclusively to commercial enterprise subscribers, who are informed of rate changes by assigned account managers. An August 21, 2023 effective date is requested. No service is required for this submission.

Thank you for your attention to this matter. Questions concerning may be directed to the undersigned.

Sincerely,

MILLER ISAR, INC.
