Re: Docket No. 23-2617-01, *Intrado Communications, LLC's Notice of an Internal Reorganization that will Result in a Pro Forma Change in its Ownership Structure*

Mr. Marchesiello,

The Public Service Commission (PSC) has reviewed the notice (“Notification”) filed by Intrado Communications, LLC (“Intrado”) in the referenced docket of the pro forma change in Intrado’s internal ownership structure (“Internal Reorganization”). The Internal Reorganization will result in the replacement of an entity in Intrado’s control chain with a different entity with identical ownership and control (i.e., Mount Olympus Holdings, Inc. will be replaced by West-Olympus, LLC). No other changes to Intrado’s ownership structure are anticipated.

Intrado was granted a certificate of public convenience and necessity on May 22, 2020, in Docket No. 20-2617-01. The Notification states the Internal Reorganization “will be imperceptible to the customers and vendors of ... Intrado ... and will not result in any discontinuance, reduction, loss, or impairment of service to any customer. Further, Intrado ... will continue to be operated by the same highly experienced, well-qualified management and technical personnel who operate the company today. The internal reorganization also will not adversely affect competition because it will not result in any reduction in the number of competitors serving any market and will not impact the competitiveness of any market for telecommunications services. Following the transaction, customers will continue to have access to the same competitive alternatives that they have today.”¹

The Division of Public Utilities (DPU) filed its comments and recommendation on January 31, 2023, recommending the PSC acknowledge the Notification and requesting informal adjudication of the matter. DPU states the public interest will be promoted by acknowledging the Notification. DPU does not address whether the Internal Reorganization requires PSC approval.

No party has identified a statutory or other legal requirement for the PSC to approve the proposed Internal Reorganization, and no party has requested a declaratory ruling on the issue pursuant to Utah Admin. Code R746-101-1, et seq. Accordingly, the PSC acknowledges that the Notification was filed and gives notice it will take no further action in this docket unless a party files a request for agency action and explains the basis on which the PSC may or should act.

Sincerely,

/s/ Gary L. Widerburg

PSC Secretary
