BEFORE THE PUBLIC SERVICE COMMISSION OF UTAH	
Petition of DISH Wireless, LLC d/b/a/ Gen Mobile for Designation as an Eligible Telecommunications Carrier in the State of Utah for the Limited Purpose of Offering Lifeline Service to Qualified Households	Docket No. 23-2641-01 Joint Motion to Vacate Scheduling Order, Request for Scheduling Conference, and for Expedited Treatment

Pursuant to UTAH ADMIN. CODE r. 746-1, the Office of Consumer Services (“OCS”) and the Division of Public Utilities (“DPU”) (collectively the “Parties”) hereby move the Public Service Commission of Utah (“PSC”) for an Order to Vacate the Scheduling Order, setting a Scheduling Conference at least two weeks from the date of the Order, and granting Expedited Treatment (“Motion”). The Parties are authorized to represent that DISH Wireless LLC (“DISH”) supports this Motion. To date, the OCS and DPU are unaware of any other party that might wish to participate in this docket.

On March 6, 2023, DISH d/b/a/ Gen Mobile filed its Petition for Designation as an Eligible Telecommunications Carrier (“ETC”) and later filed the direct testimony of Robert Yap in support of the petition. Since that time, the Parties have been working informally and through discovery requests to gather information. However, the OCS and the DPU are still in the process of discovering relevant facts.

Because the OCS and the DPU are still in the process of discovering facts needed to prepare their non-applicant direct testimony due this Friday, June 30, 2023, the OCS and DPU move the PSC for an Order Vacating the Existing Scheduling Order and setting a new Scheduling Conference to be held at least two weeks from the date of its order if the Commission grants this Motion. The OCS and DPU also seek expedited treatment of this Motion because their non-applicant testimony is due this Friday, June 30, 2023.

CONCLUSION

For the above reasons, through this Joint Motion, the OCS and DPU move the PSC for an Order Vacating the Existing Scheduling Order, setting a Scheduling Conference at least two weeks from the date of the order if the Commission grants this Motion, and for expedited treatment.

Respectfully submitted, June 29, 2023.
