Good afternoon,

Boost SubscriberCO LLC is a new wireless telecom company that will begin remitting USF fees for the January 2026 filing period. Is there anything I need to do to register this new company or file monthly remittance online as usual?

Furthermore, Dish Wireless, LLC's December 2025 USF Remittance will be it's final remittance. As of January 1, 2026, all lines and revenue have been moved to Boost SubscriberCO LLC. Please see attached letter for more detail.

Thank you!
