Re: **Docket No. 24-041-T01** TARIFF: Citizens Telecommunications Company of Utah d/b/a Frontier Communications of Utah's Tariff Revisions to Grandfather Residential Bundles

Recommendation (Approve Tariff Sheets)

The Division of Public Utilities ("Division") has reviewed Citizens Telecommunications Company of Utah d/b/a Frontier Communications of Utah's ("Citizens / Frontier") tariff revision filed on November 25, 2024. The Division has no objection to the revisions in the tariff and recommends the Public Service Commission ("Commission") approve the tariff revisions to grandfathered residential bundles as filed. The Division recommends the tariff changes become effective on January 01, 2025, as requested.

Discussion

On or about November 25, 2024, Citizens / Frontier submitted revised tariff sheets for its residential bundles. The Division reviewed the redlined version and the corresponding updated sheets and found that the changes amount to Heading or Footer Note changes. The Division found no changes to the amounts Citizens / Frontier will be charging in its tariff.
