Re: Docket No. 24-041-T01 – *Citizens Telecommunications Company of Utah d/b/a Frontier Communications of Utah's Tariff Revisions to Grandfather Residential Bundles*

Dear Ms. Zink,

The Public Service Commission (PSC) reviewed Citizens Telecommunications Company of Utah d/b/a Frontier Communications of Utah's ("Citizens") tariff revisions to grandfather residential bundles ("Tariff"), filed on November 25, 2024 (the "Filing"), in accordance with Utah Admin. Code R746-405-2(D)(6). Citizens indicates that the purpose of the Filing is to grandfather residential bundles. Citizens also states the Filing does not constitute a violation of state law or PSC rule as set forth in Utah Admin. Code R746-405-2(D)(3)(g). Citizens requests an effective date of January 1, 2025.

The PSC also reviewed the comments filed by the Division of Public Utilities (DPU) on December 6, 2024. DPU found no changes to the Tariff amounts charged by Citizens, with changes mainly to the headings or footers. DPU believes the Tariff is consistent with Utah Administrative Rule(s) and recommends the PSC approve the Tariff, effective January 1, 2025.

Based on the PSC's review of the Filing, and DPU's comments and recommendations, the PSC approves Citizens' proposed revisions to its Tariff, as filed, effective January 1, 2025.

Sincerely,

/s/ Gary L. Widerburg
PSC Secretary
