RE: A.L. 2024-P05
(UT2024-07)

Dear Commissioners:

Attached for your notification are the following revisions to the Qwest Corporation d/b/a CenturyLink QC Exchange and Network Services Price List, submitted with an August 7, 2024 issue date and an August 15, 2024 effective date. Attachment A includes a list of pages included in this filing.

Effective August 15, 2024, Private Line DS-1 and DS-3 Services are grandfathered. New contracts or renewal of existing contracts will no longer be accepted for these services, effective immediately. Existing services are limited to circuits in service at existing locations. Customers with a contract may retain their Intrastate Private Line circuit on a month-to-month basis once the contract expires. Customers were notified 30 days prior to the effective date, and a copy of that notice is included with this filing.

Respectfully submitted,

A handwritten signature in cursive script that reads "Marla Hazlett".
