Mr. Gary Widerburg, Commission Administrator Utah Public Service Commission Heber M. Wells Building 160 East 300 South Salt Lake City, UT 84111 Via Electronic Filing

Re: Notification of Internal Corporate Restructuring and Name Change of AT&T Corp. into AT&T Enterprises, LLC

Dear Mr. Widerburg:

AT&T Corp. and AT&T Enterprises, Inc. notify the Commission of an internal corporate reorganization in which a merger occurs between AT&T Corp. and AT&T Enterprises, Inc. (which will be converted to and renamed AT&T Enterprises, LLC immediately following completion of the merger) (the "Internal Restructuring"). The Internal Restructuring is more fully described as follows:

- AT&T Corp., a New York corporation, is certificated as a CLEC and as an IXC in Utah. AT&T Corp. is a wholly owned subsidiary of AT&T Inc.
- AT&T Enterprises, Inc. is a Delaware corporation and is registered with the Utah Division of Corporations and Commercial Code of the Department of Commerce. A copy of the Utah Certificate of Registration, which includes the Delaware certificate of incorporation, is attached. AT&T Enterprises, Inc. is a wholly owned subsidiary of AT&T Inc.
- AT&T Corp. will merge with and into AT&T Enterprises, Inc. with AT&T Enterprises, Inc. as the surviving entity. AT&T Corp. will cease to exist after the Internal Restructuring is completed. The effective date of the merger will be **May 1, 2024**.
- Immediately following completion of the merger, AT&T Enterprises, Inc. will convert from a
  Delaware corporation to a Delaware limited liability company. The effective date of the
  conversion will be May 2, 2024.
- Thereafter, the Department of Commerce qualifications of AT&T Enterprises, Inc. will be updated to reflect the conversion to AT&T Enterprises, LLC. The Department of Commerce qualification of AT&T Corp. will be withdrawn.

AT&T is undertaking this internal restructuring project to streamline its corporate structure which will result in greater operational efficiencies. The goal of the Internal Restructuring is a simple one: to convert certain subsidiaries (including AT&T Corp.) from corporations to limited liability companies. The internal merger that is the subject of this Internal Restructuring, and related transactions, are necessary only because AT&T Corp. cannot be directly converted to a limited liability company under New York law.

To be clear, the Internal Restructuring does not result in any change of ownership. AT&T Corp. is wholly owned by its parent company, AT&T Inc. AT&T Enterprises, Inc. (and then AT&T Enterprises, LLC) is wholly owned by its ultimate parent company, AT&T Inc.

Further, the Internal Restructuring will be seamless to customers. The only change customers will see is the service provider name on their AT&T bill. Customers' services, prices, terms and conditions for those services will not be affected. Customers will be notified through bill page message upon completion of the Internal Restructuring that their telecommunication services will be provided by AT&T Enterprises, LLC.

This Internal Restructuring contemplates that AT&T Enterprises, LLC will assume the assets and certificate authorities now held by AT&T Corp. Accordingly, AT&T requests that, at completion of the Internal Restructuring on or about May 2, 2024, the Commission issue updated certificate authorities currently held by AT&T Corp. to AT&T Enterprises, LLC. AT&T will take any further steps required by the Commission to effectuate the name changes necessitated by the Internal Restructuring.

Please contact me by email or at 303.256.7354 with any questions or concerns you may have.

Sincerely,

Jon Blessing
