<b>BEFORE THE PUBLIC SERVICE COMMISSION OF UTAH</b>	
Overpayment of New Cingular Wireless PCS, LLC, an AT&T Company, into the Utah Universal Service Support Fund	Docket No. 24-087-02  Stipulated Motion to Continue Hearing and Request for Expedited Treatment

Pursuant to Utah Code section 54-4a-1 and Utah Administrative Code R746-1, the Division of Public Utilities (“Division”) files this Stipulated Motion to Continue Hearing and Request for Expedited Treatment (“Motion”). The Division requests the Public Service Commission of Utah (“Commission”) continue the scheduled August 13, 2024, hearing to September 19, 2024, beginning at 9:00 a.m. The Division is authorized to represent that New Cingular Wireless PCS, LLC and the Utah Rural Telecom Association (collectively the “Parties”) support and stipulate to this Motion.

The Parties have been involved in ongoing settlement discussions and hope to file a settlement stipulation with the Commission that resolves the issues in this docket. To allow the Parties more time to negotiate and hopefully finalize a settlement stipulation, the Division requests the Commission reschedule the hearing to September 19, 2024. Finally, because the time for briefing this Motion will not expire before the scheduled hearing date, the Division

respectfully requests expedited treatment of this Motion.

Respectfully submitted this 8th day of August, 2024.
