
2023 Annual Report of E Fiber San Juan,
LLC

DOCKET NO. 24-2619-01

ORDER APPROVING 2025 DISTRIBUTION

ISSUED: December 24, 2024

BACKGROUND

On April 15, 2024, E Fiber San Juan, LLC (“E Fiber San Juan”) filed its Annual Report for Calendar Year 2023 (“Report”) with the Public Service Commission (PSC). On September 3, 2024, the Division of Public Utilities (DPU) filed its initial recommendation for the 2025 Utah Universal Public Telecommunications Service Support Fund (“UUSF”) calendar year distribution. On September 4, 2024, the PSC issued a Notice of Filing and Comment Period, seeking comments on DPU’s initial recommendation on or before October 4, 2024. No comments were filed.

On November 1, 2024, DPU filed its final comments which included final recommended UUSF annual disbursements, consistent with Utah Admin. Code R746-8-401(10)(e). Challenges to DPU’s final recommendations were accepted until November 15, 2024, in accordance with Utah Admin. Code R746-8-401(10)(f). Additional comments were provided by DPU and the Utah Rural Telecom Association in support of the DPU’s final recommendation and no challenges to that final recommendation were filed.

FINDINGS OF FACT AND CONCLUSIONS OF LAW

Utah Admin. Code R746-8-401 requires DPU to make annual recommendations to the PSC for adjustments to the monthly UUSF distribution to each provider based on an established Federal Communications Commission rate of return and the provider's most recent financial information reflected in its annual report filed with the PSC. DPU recommends an increase of \$865,166.00 to the prior year's UUSF distribution for E Fiber San Juan (\$1,145,821.00). Specifically, in calculating E Fiber San Juan's eligibility for the UUSF distribution, DPU reviewed its rate of return, state and federal income taxes, depreciation, federal USF excluded costs, UUSF eligibility, accumulated deferred income taxes, and federal USF assistance. DPU recommends a 2025 UUSF calendar year distribution for E Fiber San Juan in the amount of \$2,010,987.00¹ to be distributed in twelve monthly payments of 167,582.25.² As illustrated in Exhibit A, the 2025 UUSF distribution for E Fiber San Juan is a 75.51% increase from its 2024 distribution.

Based on the Report and DPU's review, investigation, analysis, and uncontested final recommendation, we find and conclude that E Fiber San Juan is eligible to
