During the review of the application it was discovered Cablevision Lightpath forgot to include this Certificate of Attestation with their application. Please include it under Docket No. 24-2653-01.

Thanks,  
Madison

Maddi,  
Cablevision Lightpath did not include the attestation letter with it s application. I did an informal request for one and received it yesterday. I have asked Abby and Brenda about including it with my recommendation, but they have asked that you send it to the Commission directly. Can you please send or walk it over for me?

I have attached it to this email.

Thanks
