The PSC appreciates the DPU's recommendation to approve this application and to adjudicate it informally, however based on our review of the filing (application and exhibit, and subsequent exhibit re: Exhibit D and GAAP requirements), it appears that informal adjudication would not be appropriate under our rules. Although signed by the applicant's Chief Legal Officer, the application is not verified, nor is there any sworn attestation as to the accuracy and truthfulness of the information asserted in the application (other than the later filed attestation that is specific only to Exhibit D and GAAP requirements). Thus, unless DPU is

aware of a filing regarding verification and/or attestation to the non-Exhibit D and GAAP requirements information and assertions in the application as specifically required by Utah Admin. Code R746-349-3(1)(a)(i), the PSC is not currently aware of any testimony of record upon which to informally adjudicate this docket. Please identify where in applicant's filings such verification and/or attestation is provided by the applicant such that there is testimony to support it. If DPU is unable to identify this, please contact the applicant and determine what applicant plans to do to remedy the foregoing deficiency in its filing.

*In the event the PSC issues an order or notice providing dates for comments and/or testimony in this docket:

- The DPU shall respond consistent with the order or notice;
- The order or notice, including any deadlines, shall supersede and replace this action request; and
- This action request shall be deemed withdrawn.
