RE: A.L. 2025-P05
(UT2025-07)

Dear Commissioners:

Attached for your notification are the following revisions to the Qwest Corporation d/b/a CenturyLink QC Exchange and Network Services Price List, submitted with a July 9, 2025 issue date and a July 15, 2025 effective date. Attachment A includes a list of pages.

This filing grandfather's business service CenturyLink Line Volume Plan (CLVP) in its entirety.

Effective July 1, 2023, 3-, 4-, and 5-year term plans were previously grandfathered for CenturyLink Line Volume Plan. With this revision, all remaining CenturyLink Line Volume Plans, including the 2-year term, are also grandfathered and will no longer be available to customers. A grandfathered service is one that is no longer sold, and availability is limited to lines currently in service at existing locations. Changes, additions, or transfers of service will not be permitted on accounts associated with these grandfathered services. Customers under any existing term commitment are grandfathered until the expiration date of their current term plan (including move, add and change activities) after which, previously discounted rates under the grandfathered term plan will revert to month-to-month rates in effect for the services provided until the service is canceled, with 30-day written notice by either CenturyLink or the customer. Grandfathered services may be removed; however, those grandfathered services may not be subsequently reinstated.

Respectfully submitted,

A handwritten signature in black ink that reads "Marla Hazlett".
