Re: Docket No. 25-054-01 - 2024 Annual Report of Union Telephone Company, Inc.

Dear Ms. Wall,

Union Telephone Company, Inc. ("Union Telephone") filed a request with the Public Service Commission (PSC) on April 3, 2025, for a 30-day extension to file its 2024 Gross Revenue Report ("Request"). Union Telephone indicates the delay is due to a financial system conversion which pushed back the annual audit from its usual January date to March, putting them behind schedule.

The Division of Public Utilities (DPU) filed comments on April 9, 2025. DPU states that Union Telephone has clarified that the Gross Revenue Report required by Utah Code Ann. § 54-5-2(2) can be completed by April 15, 2025, and that the 30-day extension request is for the Annual Report required by Utah Admin. Code R746-8-401(6) ("Annual Report"). DPU recommends that the PSC grant the 30-day extension for the Annual Report.

Based on the PSC's review of the Request and DPU's comments and recommendations, the PSC determines that a 30-day extension for the Annual Report is reasonable. Given the modest length of the requested extension, we do not see a need to solicit comments. Therefore, a 30-day extension for Union Telephone's 2024 Annual Report is hereby granted.

Sincerely,

/s/ Gary L. Widerburg
PSC Secretary
