Dear Commissioners:

Enclosed for electronic filing are the following revisions to the CenturyLink Communications, LLC d/b/a Lumen Technologies Group Interexchange Telecommunications Service Price List No. 1, submitted with a June 30, 2025 issue date and a proposed effective date of July 7, 2025. This filing consists of the following pages:

Section	Page(s)	Release	Section	Page(s)	Release
3	35.2	2		*(continued)*	
3	37	1	4	95	5
3	38	1	4	101	2

This filing makes administrative changes to various Long Distance plans. These changes aim to better align our services with current customer traffic usage. We are reducing the intrastate monthly rates for Unlimited Nationwide Calling, Simply Unlimited Phone for Residence, Simply Unlimited Business, and CenturyLink Business Bundle Unlimited plans. Concurrently, the interstate monthly rates for these packages will be increasing, ensuring that the total monthly rate billed remains the same.   This adjustment will help us more accurately reflect the split between interstate and intrastate usage.

Additionally, this filing corrects an oversight related to the Unlimited Nationwide Calling Plan for Long Distance. While the Company introduced the Unlimited Nationwide Calling Plan in the Local Exchange and Network Services Price List in 2017, the corresponding long distance plan was inadvertently not filed at that time. This filing remedies that omission by formally adding the long distance component of the plan.

You can find these updated rates published on the Company's Tariff Library at www.CenturyLink.com/tariffs.

Should you have questions or need additional information regarding this filing, please contact me at (303) 992-5838 or via email.

Sincerely,

Marla Hazlett
