**Re: Request to Cancel the Certificates of Public Convenience and Necessity of  
CBTS Technology Solutions LLC**

Dear Commission Administrator Widerburg:

This letter surrenders the Certificates of Public Convenience and Necessity ("CPCNs") granted to CBTS Technology Solutions LLC ("CBTS-TS") to provide interexchange services and competitive local exchange services. Specifically, CBTS-TS surrenders CPCN No. 2264 to provide interexchange services issued in Docket No. 98-2264-01 on January 8, 1999<sup>1</sup> and CPCN No. 2548 to provide competitive local exchange services issued in Docket No. 11-2548-01 on February 27, 2012.<sup>2</sup> The letter also cancels and withdraws any CBTS-TS tariff on file with the Commission.

CBTS-TS no longer provides regulated telecommunications services in the state of Utah. The public will not be harmed by the surrender (and cancellation by the Commission) of the CPCNs held by CBTS-TS because the company no longer has customers receiving regulated

---

<sup>1</sup> The authorization to provide interexchange services was originally issued to Eclipse Telecommunications Inc. The Commission approved a name change from Eclipse Telecommunications Inc. to Broadwing Telecommunications Inc. in Docket No. 99-2264-02 in February 2000. On January 2, 2004, Broadwing Telecommunications Inc. sent a letter to the Commission for approval of a name change to Cincinnati Bell Any Distance Inc. ("CBAD"). A new docket number was not issued. The Commission acknowledged CBAD's name change to CBTS Technology Solutions LLC on November 14, 2017 in Docket No. 17-2548-01.

<sup>2</sup> The authorization to provide competitive local exchange services was originally issued to CBAD.
