**PETITION TO SURRENDER
CERTIFICATE OF PUBLIC CONVENIENCE AND NECESSITY**

RCLEC, Inc. (“RCLEC”) respectfully requests approval to surrender its Certificate of Public Convenience and Necessity (“CPCN”).

RCLEC was granted a CPCN to provide resold and facilities-based local exchange and interexchange services within the State of Utah by order dated October 9, 2015, in Docket No. 15-2583-01. RCLEC is requesting to surrender its CPCN because it does not offer or provide any services in Utah pursuant to the above-referenced CPCN and does not plan to offer any such services in the future. RCLEC will continue to serve existing customers as an interconnected VoIP provider.

Pursuant to the requirements under U.A.C. R746-350-3 and -4, RCLEC provides the following information:

I. APPLICANT INFORMATION

RCLEC, Inc.
20 Davis Drive

III. IDENTIFICATION OF SERVICE TERRITORY PROPOSED FOR DISCONTINUANCE AND INTENDED DATE OF DISCONTINUANCE

RCLEC requests to surrender its CPCN entirely and as soon as possible as it does not offer or provide any services anywhere in Utah pursuant to the above-referenced CPCN and does not plan to offer any such services in the future. However, RCLEC will continue to serve existing customers as an interconnected VoIP provider.

IV. ACKNOWLEDGMENT

RCLEC acknowledges and agrees that filing of this Petition does not, by itself, constitute authority to discontinue any service and that discontinuance shall occur as ordered by the Commission. The acknowledgment that RCLEC will assist in the porting of any assigned telephone numbers to a Replacement Provider is not applicable in this case.

V. WAIVER OF LEGAL NOTICE

RCLEC does not currently have any customers and does not offer or provide any services in Utah pursuant to the above-referenced CPCN and does not plan to offer any such services in the future. As such, RCLEC requests waivers of the requirements under U.A.C. R746-350-3.B.2–4 to notify affected customers; telecommunications corporations providing RCLEC with resold telecommunications services, essential facilities or services, or unbundled network elements; and the “national number administrator.”

Pursuant to U.A.C. R746-350-4.B, RCLEC is satisfying the requirement of R746-350-3.B.1 by submitting this Petition to the Commission.
