Counsel for the Division of Public Utilities

BEFORE THE PUBLIC SERVICE COMMISSION OF UTAH	
Application of LTE Wireless INC for Designation as an Eligible Telecommunications Carrier Pursuant to 47 U.S.C. § 214(e)	Docket No. 25-2658-01 Joint Motion to Vacate the Scheduling Order and for Expedited Treatment

Pursuant to Utah Code sections 54-4a-1 and 54-10a-301 and Utah Administrative Code R746-1, the Division of Public Utilities (“Division”) and the Office of Consumer Services (“Office”) submit this Joint Motion to Vacate the Scheduling Order and for Expedited Treatment (“Motion”). Currently no other parties have intervened in this docket.

On September 11, 2025, LTE Wireless INC (“LTE Wireless” or “the Company”) filed with the Public Service Commission of Utah (“Commission”) its Application for Designation as an Eligible Telecommunications Carrier (“Application”). On November 4, 2025, the Commission issued a Scheduling Order and Notice of Virtual Hearing. On November 10, 2025, LTE Wireless filed the direct testimony of Faizal Hassad in support of its Application. On January 7, 2026, LTE Wireless filed its request to withdraw its application without prejudice (“Request”). In response to LTE Wireless’s Request, the Commission sent correspondence to the Company indicating that its Request had deficiencies that must be remedied before the Commission would consider it.

In light of the Company's filing of its Request, the additional time needed for the Company to remedy the deficiencies in that Request, and the imminent non-applicant direct testimony deadline, the Division and Office move the Commission to vacate the Scheduling Order to allow the Commission to consider the Company's Request before non-applicant testimony is filed in this docket. Because the deadline for non-applicant testimony is Friday, January 9, 2026, the Division and Office also request expedited treatment of this Motion.

Respectfully submitted this 8th day of January 2026.
