Re: Docket No. 26-049-06, Formal Complaint – Shirley Feulner v. CenturyLink

Recommendation (Request for Extension)

On September 8, 2026, the Public Service Commission (Commission) issued an action request to the Division of Public Utilities (Division) to review the complaint and indicate whether the Division has a recommendation. On the same day the Division received an additional action request asking for an explanation and statement of issues to be addressed with a due date of September 15, 2026.

The Division has determined that a proper review of this complaint requires additional time. Accordingly, the Division requests that the Commission extend the due date for its response to September 30, 2026.
