RE: A.L. 2026-P03  
(UT2026-04)

Dear Commissioners:

Attached for your notification are the following revisions to the Qwest Corporation d/b/a CenturyLink QC Exchange and Network Services Price List, submitted with a February 20, 2026 issue date and a March 1, 2026 effective date. Attachment A includes a list of pages.

The filing updates the General Regulations – Conditions Of Offering, to clarify the treatment of business local exchange service contracts, term agreements, and service terms upon expiration. Specifically, the revisions establish that renewals of such terms are no longer permitted, and that services will transition to month-to-month (MTM) rates when an existing contract expires. The filing also outlines the Company's ability to adjust MTM rates with appropriate notice and confirms that either party may terminate MTM service with thirty (30) days' prior notice. These changes are intended to ensure transparency, maintain consistency across offerings, and align the tariff with the Company's current service practices.

Should you have questions or need additional information regarding this filing, please contact me at (303) 992-5838 or via email.

Respectfully submitted,
