Re: **Docket No. 26-053-01**, Review of 2025 Annual Report for UBTA-UBET Communications, Inc. d/b/a STRATA Networks, and Recommendations for Utah Universal Service Fund assistance for Calendar Year 2027.

Recommendation (Approval)

The Utah Division of Public Utilities ("Division") recommends that the Public Service Commission of Utah ("Commission") adjust the annual Utah Universal Service Fund ("UUSF") distribution for UBTA-UBET Communications, Inc. d/b/a STRATA Networks ("STRATA") to \$9,496,622 (\$791,385 monthly), effective January 1, 2027. This represents a 21.3% increase over the 2026 annual distribution of \$7,827,967 (\$652,331 monthly). It does not include Lifeline support.

Discussion

Utah Administrative Code R746-8-401 requires the Division to submit annual recommendations to the Commission regarding UUSF distribution adjustments for eligible providers. These adjustments are calculated using the established Federal Communications Commission ("FCC") rate of return and the financial data from the provider's most recent Annual Report.

On April 16, 2026, STRATA filed its Annual Report of Operations. The Commission subsequently issued an Action Request on April 17, 2026 directing the Division to review the filing and make recommendations by September 1, 2026. This memo is the Division's response to the Commission's Action Request. Included with this memo is a comprehensive report that provides a review of the Company's 2025 operations and proposes changes to the 2027 UUSF distribution. The recommended distribution for 2027 does not include the amount for Lifeline, which was \$6,804 in 2025.

Conclusion

Based on its review, the Division recommends the Commission adjust the annual UUSF distribution for STRATA to \$9,496,622 (\$791,385 monthly), effective January 1, 2027.
