Re: Advice Letter—UBTA-UBET Communications Inc. /Tariff Filing
Docket No. 26-053-T01

To the Commission:

In accordance with R746-405 of the Public Service Commission's Rules, UBTA-UBET Communications Inc. ("UBTA-UBET") hereby electronically files the attached 4th Revised Sheet No. 35 of the UBTA-UBET Communications Inc. Local Tariff P.S.C. Utah No. 1, which modifies the construction charges for line extensions for business customers. The purpose of the change is to modify the line extension construction charges for business customers to mirror the charges for residential customers, and to support UBTA-UBET's ability to compete for business services. UBTA-UBET expects the change to facilitate additional customer connections to its existing network and does not expect any significant revenue impact.

As the Commission is aware, UBTA-UBET Communications Inc. is a telephone cooperative. Pursuant to Utah Code Section 54-7-12(7), UBTA-UBET's Board of Directors approved this rate change on April 23, 2026. UBTA-UBET Communications Inc. hereby files its tariff revisions reflecting these corrections. The Tariff sheets, as proposed, do not constitute a violation of State law or Commission rule. UBTA-UBET Communications Inc. respectfully requests that the Commission accept the Revised Tariff sheet with the proposed effective date of June 1, 2026.

Very truly yours,
