Dear Commissioners:

Attached for your notification are the following revisions to the Level 3 Telecom of Utah, LLC Local Exchange Services Price List No. 2, submitted with a March 19, 2026 issue date and a April 1, 2026 effective date. Attachment A includes a list of pages.

This filing implements an increase to month-to-month rates for certain legacy services effective April 1, 2026. In conjunction with this change, term plans that are no longer offered have been removed to eliminate obsolete references and improve clarity. Customers are being notified of this change, and a copy of that letter is included with this filing.

Should you have questions or need additional information regarding this filing, please contact me at (303) 992-5838 or via email.

Respectfully submitted,
