Re: Granite Telecommunications, LLC Advice Letter No. 18

Dear Secretary Widerburg:

Granite Telecommunications, LLC ("Granite") submits to the Utah Public Service Commission a revised Title Sheet and Sheet Nos. 1, 2, 47 to 52, 54 to 58, 61, 61.1, and 62 to Granite's Utah local exchange price list, Utah Price List No. 1, for incorporation into the Company's price list.

By this submission, Granite increases local exchange service recurring charges following corresponding underlying carrier non-recurring rate increases. Granite also removes certain services that are no longer available nor have any existing subscribers, adds new services, and removes exchange-specific service rates for services that had formerly been based on the subscriber's location. Further, Granite updates its primary address on revised price list sheets.

Granite provides services exclusively to commercial enterprise subscribers, who are informed of rate changes by assigned account managers. A March 9, 2026 effective date is requested. No service is required for this submission.

Thank you for your attention to this matter. Questions concerning may be directed to the undersigned.

Sincerely,

MILLER ISAR, INC.
