Re: **Docket No. 26-2514-01:** Broadview Networks, Inc.'s Notification of Name Change to Broadview Networks, LLC.

Recommendation (Acknowledge)

The Division of Public Utilities ("Division") recommends that the Public Service Commission ("Commission") acknowledge the requested name change from Broadview Networks, Inc. to Broadview Networks, LLC.

Discussion

On or about September 17, 2026, Broadview Networks, Inc., filed a letter with the Commission indicating the company will be changing its name to Broadview Networks, LLC. The name change will not impact any customers in the state of Utah. Additionally, Broadview Networks, Inc. will not change the services it offers. The Division recommends that the Commission acknowledge the request by Broadview Networks, Inc. to change its corporate name to Broadview Networks, LLC and make the necessary changes and amendments to all the required documents.

The Division recommends the Commission acknowledge this notice.
