**Re:** **Docket No. 26-2552-01:** Notification of Peerless Network, Inc. d/b/a Peerless Network of Utah, LLC's Notification of Name Change to Infobip Voice, Inc.

## Recommendation (Acknowledge)

The Division of Public Utilities ("Division") recommends that the Public Service Commission ("Commission") acknowledge the name change of the parent company Peerless Network, Inc. to Infobip Voice, Inc. (the "Company").

When the Division read the Action Request and the notice from the Company it misunderstood the name. With the clarification that was sent out the Division now understand that the new name for the Company will be Infobip Voice, Inc. and will be separate from its subsidiary Peerless Network of Utah, LLC.

The Division recommends the Commission acknowledge this notice of the parent name change Peerless Network, Inc. to Infobip Voice, Inc. (the "Company").
