DOCKET NO. 01-049-43
AMENDED NOTICE OF HEARING

ISSUED: May 4, 2001

By The Commission:

On April 26, 2001, Qwest Corporation (Qwest) filed its 2001 Price Cap Compliance filing with the Commission. On April 27, 2001, the Division of Public Utilities (Division) filed a response to the Qwest filing raising its tentative objections and suggesting a schedule to resolve disputed issues. On April 30, 2001, the Commission issued a Notice of Technical Conference, Pre-hearing Conference, and Hearing based on the Division's request. Pursuant to that notice, a technical conference was held on Friday, May 4, 2001, at 10:00 a.m.

At the technical conference, it was determined that the pre-hearing conference previously noticed for Tuesday, May 8, 2001, was unnecessary. It was also determined that Qwest would file revisions to its 2001 Price Cap Compliance Filing. Finally, it was determined that the parties would not be prepared for a hearing by Wednesday, May 16, 2001, as previously noticed.

Based upon the foregoing, please take notice that the Commission will convene a hearing on Tuesday, May 29, 2001, at 9:00 a.m., in the Commission's main hearing room #426, Heber M. Wells Office Building, 160 East 300 South, Salt Lake City, Utah. At the hearing, the Commission will consider Qwest's revised proposal as well as any alternative proposal submitted by any other party.

In compliance with the Americans with Disabilities Act, individuals needing special accommodations (including auxiliary communicative aids and services) during Commission hearings should notify Julie Orchard, Commission Secretary, at 160 East 300 South,
