DOCKET NO. 01-2252-01
ORDER CANCELLING CERTIFICATE

ISSUED: December 20, 2001

By The Commission:

On October 3, 2001, Intellicall Operator Services Inc. (ILD) petitioned for cancellation of its Certificate issued May 27, 1999, in Docket No. 99-2252-01. ILD represents that it has not offered local exchange services in Utah pursuant to the Certificate and that it no longer has business plans to offer such services. ILD asks that the Commission cancel its Certificate. ILD also requests that it be released from maintaining its security bond, as ILD has no Utah customers that would be affected through the cancellation. By Memorandum submitted December 7, 2001, the Division of Public Utilities recommended cancellation of the Certificate and release from the obligation to maintain the security bond.

Based upon the information and evidence submitted, the Commission grants the Petition.

ORDER

NOW, THEREFORE, IT IS HEREBY ORDERED, that:

1. The Certificate issued to Intellicall Operator Services Inc. is cancelled by this Order.
2. Intellicall Operator Services Inc. is relieved of its obligation to maintain a security bond for its operations in the State of Utah pursuant to the Certificate.

DATED at Salt Lake City, Utah, this 20th day of December, 2001.
