DOCKET NO. 04-2383-T01

ORDER CLOSING DOCKET

ISSUED: March 25, 2004

By The Commission:

On February 5, 2004, Comcast Phone of Utah, LLC (“Comcast”) filed a Price List with the Commission.

The Division of Public Utilities (“Division”) stated that the prices in the February 5, 2004 Price List have been handled in Docket No. 03-2383-T09 on February 24, 2004. The original version stated that, due to the bulk nature of the usage included in the offer, call detail would not be provided on the monthly billing statement but, upon customer request, call detail would be available for an additional \$10.00. This conflicted with Administrative Rule R746-240-4, which requires nine elements on a telephone bill, of which call detail is one. The Division pointed this out to Comcast and the company decided to revise the price list to include call detail for no additional cost. The Division has recommended that this price list be disregarded as the correction has been made in Docket No. 03-2383-T09. Therefore, the Commission makes the following
