DOCKET NO. 04-2415-01
REPORT AND ORDER

ISSUED: October 25, 2004

SYNOPSIS

No detriment to the public interest appearing, the Commission approved the proposed name change.

By The Commission:

PROCEDURAL HISTORY

On August 4, 2004, Petitioner, TSI Telecommunication Network Services Inc., filed its Petition seeking a name change to SYNIVERSE NETWORKS, INC. The matter was referred for review and recommendation to the Division of Public Utilities, Utah Department of Commerce (DPU), which filed its memorandum recommending approval October 12, 2004. Since there appears to be no detriment to the public interest, and an evidentiary hearing on the matter would appear to be wholly superfluous, we have determined to dispose of the matter summarily. Accordingly we enter the following

ORDER

NOW, THEREFORE, IT IS HEREBY ORDERED, that:

- The proposed name change is approved and that the records of the Commission be amended to reflect the holder of Certificate of Convenience and Necessity issued to TSI Telecommunication Network Services, Inc., be, and it is, changed to SYNIVERSE NETWORKS, INC.

- Any person aggrieved by this Order may petition the Commission for review within 20 days of the date of this Order. Failure so to do will forfeit the right to appeal to the Utah Supreme Court.

Dated at Salt Lake City, Utah, this 25th day of October, 2004.
