PROCEDURAL HISTORY, DISCUSSION, AND FINDINGS

On June 15, 2006, VarTec Telecom, Inc., Excel Telecommunications, Inc., and VarTec Solutions, Inc. (“VTSI”) (hereinafter referred to jointly as the “VarTec Companies”) filed a memorandum voluntarily withdrawing their respective operating authorities to provide local exchange and interexchange telecommunications in Utah (“Request”). This withdrawal is based on the VarTec Companies’ sale of assets, including customers, to Comtel Telcom Assets LP (“Comtel”) as part of Chapter 11 bankruptcy proceedings filed by the VarTec Companies on November 1, 2004. Due to the consummation of this sale, the VarTec Companies state they no longer have any employees, customers, or telecommunications operations in Utah or any other jurisdiction. Comtel now serves the Vartec Companies’ former customers.

On July 27, 2006, the Division of Public Utilities (“Division”) filed a memorandum detailing its investigation of the Request and recommending cancellation of VTSI’s Certificate of Public Convenience and Necessity (“Certificate”).

The Division notes the Commission granted a Certificate to VTSI, then known as Dial and Save of Utah, Inc., on February 7, 1997, in Docket No.96-2213-01. According to the Division, the sale of the VarTec Companies to Comtel was completed on June 7, 2006. Comtel received its Certificate from the Commission on January 27, 2006, in Docket No. 05-2463-01.

As VTSI does not currently provide telecommunications service to any customers within the State of Utah, no detriment to the public interest appears and the Commission hereby issues the following
