--	----------------------------	---

ISSUED: July 15, 2008

SYNOPSIS

No detriment to the public interest appearing, the Commission approved the proposed name change.

By The Commission:

PROCEDURAL HISTORY

On March 14, 2008, Petitioner Time Warner Telecom of Utah, LLC (“Company”) filed a memorandum notifying the Commission that, effective July 1, 2008, it intended to change its name to tw telecom. The matter was referred for review and recommendation to the Division of Public Utilities (“Division”) which filed a memorandum on June 20, 2008, recommending the Commission approve the proposed name change. The Division notes the name change will not impact any customers in the State of Utah as the Company will not change the services it currently offers.

Since there appears no detriment to the public interest, and an evidentiary hearing on the matter would be superfluous, we have determined to dispose of the matter informally. Wherefore, based upon the foregoing information, and for good cause appearing, we enter the following

DOCKET NO. 08-2351-01
