In the Matter of the Notice of Discontinuance)
of Operation for Talk America Inc., d/b/a) DOCKET NO. 09-2236-01
Cavalier Telephone Provider of)
Interexchange Telecommunications Services) ORDER CANCELLING CERTIFICATE
in the State of Utah) NUMBER 2236

ISSUED: June 24, 2009

By The Commission:

This matter is before the Commission on Talk America, Inc.'s (Company) request to cancel their certificate of public convenience and necessity (CPCN). The Company has provided some interexchange services to about 40 Utah customers. On May 28, 2009, the Company filed a notice with the Commission stating that they would no longer offer long-distance services in Utah.

The Division of Public Utilities (Division) filed its recommendation on June 22, 2009. It stated that the Company had mailed notice to its customers on May 27, 2009 notifying them of the changes. The effective date of the change is July 15, 2009. The Division noted that the Company has about 40 customers. It further noted that since the market for interexchange service is competitive, the 40 customers would have a variety of options available to them in replacing the services offered by the Company.

ORDER

Therefore, based on the Company's notice to the Commission, and the Division's recommendation, and finding that the discontinuance of the CPCN is not against the public interest, the Commission orders as follows:

DOCKET NO. 09-2236-01

-2-

1. The Company's certificate number 2236 is cancelled with immediate effect;
2. Pursuant to Sections 63G-4-301 and 54-7-15 of the Utah Code, an aggrieved party may request agency review or rehearing within 30 days after issuance of this Order by filing a written request with the Commission. Responses to a request for agency review or rehearing must be filed within 15 days of the filing of the request for review or rehearing. If the Commission does not grant a request for review or rehearing within 20 days after the filing of the request, it is deemed denied. Judicial review of the Commission's final agency action may be obtained by filing a petition for review with the Utah Supreme Court within 30 days after final agency action. Any petition for review must comply with the requirement of Sections 63G-4-401 and 63G-4-403 of the Utah Code and the Utah Rules of Appellate Procedure.

DATED at Salt Lake City, Utah, this 24th day of June, 2009.
