) ORDER REJECTING PRICE LIST FILING
)

ISSUED: November 1, 2010

By The Commission:

By letter dated October 27, 2010, BullsEye Telecom, Inc. (“Company”) provided the Commission revised pages for the Company’s Utah Price List No. 1 (Local Exchange) stating:

“This filing introduces Company service to business customers in service areas of Citizens Telecommunications Company of Utah d/b/a Frontier Communications of Utah and also Navajo Communications Company, Inc. The Company received statewide authority to provide facilities based and resold local exchange services in the Report and Order issued on November 19, 2003 in Docket No. 03-2413-01. The Company respectfully requests an effective date of November 2, 2010 for this filing.”

Despite the Company’s representations in its letter, the Commission’s order dated November 19, 2003 in Docket No. 03-2413-01 does not confer “statewide authority” to provide local exchange services. Rather, the order grants the Company a certificate of public convenience and necessity “to provide public telecommunications services within the State of Utah, excluding those local exchanges of less than 5,000 access lines of incumbent telephone corporations with fewer than 30,000 access lines in the state.” *See Finding of Fact 2 and Exhibit A (Certificate).*

All of the exchanges referenced in the Company’s letter are subject to the foregoing exclusion except the Moab Exchange. Consequently, the filing must be rejected. The
