DOCKET NO. 98-046-01

SUPPLEMENTAL ORDER

ISSUED: May 6, 1999

By The Commission:

PROCEDURAL HISTORY MANTI TELEPHONE COMPANY, INC. (Manti), a local exchange telephone carrier, by motion dated April 22, 1999, seeks a time extension for implementing a plan for "1+" toll calling equal access for intra- and inter-exchange toll carriers. In our previous Order in this matter, we accorded Manti until September 1, 1999, to implement such a plan.

Manti seeks an extension to November 1, 1999, owing to demands on the time of its personnel and resources which preclude meeting the September 1, 1999, deadline. On May 3, 1999, the Division of Public Utilities, Utah Department of Commerce, filed a memorandum supporting the time extension. Good cause appearing therefore, we enter the following ORDER

NOW, THEREFORE, IT IS HEREBY ORDERED, that:

MANTI TELEPHONE COMPANY, INC., be, and it is, granted a waiver, until November 1, 1999, for implementing its plan, attached to its motion for a time extension, for equal access "1+" dialing.

DATED at Salt Lake City, Utah, this 6th day of May, 1999.
