By The Commission:

PROCEDURAL HISTORY

Following our Order of December 23, 1998, dismissing Applicant's Application for failure to file requested documentation, Applicant filed its petition for review January 12, 1999. We have considered the petition, but we find nothing therein to warrant reversal of our initial determination. Applicant is free to refile at such time as it is willing to provide the documentation requested by the Division of Public Utilities. Accordingly, we enter the following.
